

Dive in to the Shark Tank

Got a great idea of how we can improve health outcomes for our communities? Take a dip in The Collaborative Shark Tank and get the support, skills and opportunity you need to make it a reality!

What's it all about?

We want to hear from you! Open to all staff (clinical and non-clinical), you'll be given the opportunity to develop your idea with the help of professional facilitator and learn the art of pitching.

The Collaborative is here to strengthen health care outcomes for people in the inner north west of Melbourne. So big or small, revolutionary or evolutionary, we want to hear your ideas.

You'll get the chance to present your idea at our Shark Tank pitch session and receive feedback from the most senior levels of The Collaborative. **Your idea may end up being funded!**

Just three steps to enter

- 1** Register to participate by Feb 28
Email jacqui.mckenzie@nwmphn.org.au
with a brief 100 word overview of your idea.
- 2** Attend the workshop on March 9
- 3** Attend the pitch event on March 30
